Description: Is there really a human race? Is it going on now all over the place? When did it start? Who said, Ready, Set, Go? Did it start on my birthday? I really must know. With these questions, our hero's imagination is off and running. Is the human race an obstacle course? Is it a spirit? Does he get his own lane? Does he get his own coach? Written with Jamie Lee...

Review: Excellent! Love it! I bought this book for my classroom, but I feel its message is even more powerful for the adult reader. I am planning to read it several times to my students, and I will advise my library to keep several copies of it. The only thing is that for very young children, you have to explain it....
